

# KATHARINA SURTEES

## VOICE-OVER ARTIST

Katharina is a professional voice-over artist which has been the voice of many commercials since 1996.

Her journey into the industry started at the age of 15, when she was asked by a promotional company to be the live voice for the department stores and stores in Perth city and shopping centers. After years of working in promotions, owning a modelling agency & academy where she hosted fashion events, comparing fashion parades and competitions all around Perth, she decided to transform her voice and her presenting career into a full-time gig.

Katharina eagerly went to The Academy of Radio, where she learnt about the radio industry, voicing commercials, presenting on-air shows, reading and writing news, and production.

During the course she was offered her first radio presenting position at Kalgoorlie's 6KG.

She was then approached by the Network of Radio West to be the female announcer that hosted "Love Songs After Dark", then afternoon drive shift. She also filled in as newsreader and producer. HOT FM evolved and she was asked to be the first female announcer on the station.

Before she knew it, she was hosting nights on the Hot 30 Countdown, doing occasional weekend shift, voicing hundreds of commercials both throughout W.A and Queensland.

Katharina was also approached by GWN to voice TV commercials.

She started training for mid dawns at 94.5fm and chose to take the path to focus on her first love... voicing commercials.

Since then, she has voiced commercials via radio and TV for 92.9, 94.5, 96fm, 6PR, Channel 7 & Channel 9.

Today, Katharina continues to grow her passion for voice-over and adding a new string to her bow. presenting visuals for film.

Katharina would love to be part of your next project!
